CAMDEN EXTENSION CONNECTIONS

DECEMBER 2020

Agriculture

Area Potato Production Meeting Held

Camden and Pasquotank County Extension staff partnered with Extension personnel from NC State and Virginia Tech to offer the annual potato meeting for area potato farmers on December 8th. The meeting was held over Zoom this year, and a recording can be accessed at the following link: https://www.youtube.com/watch?v=nbitbKHBh_k&feature=emb_title . Though it was offered in a different way, 28 virtually attended live and the recording has garnered 31 views to date.

4-H Youth Development

Holiday 4-H Youth Explore

On December 9th, 2020 Camden County 4-H hosted a Holiday Youth Explore Event. This was the first face to face program conducted by 4-H since March. Eight youth had the opportunity to create holiday ornaments that were displayed at the Camden County Center for Active Adults. Afterwards the youth had the opportunity to create a Lego Marble Maze.

Wonderful Wednesday's With Tyrone

Wonderful Wednesday's are still happening. During the month of December videos were posted that taught participants how to make a fruit smoothie and paper snowflakes. Wonderful Wednesday videos always showcase activities that participants can do at home as an individual project or as a family activity. In case you missed the videos visit our website:

Classic Game Series Game Submission

Congratulations to Anna Seymour for creating and submitting her very own game for our Classic Game Contest! I hope everyone enjoys playing her new game called "Pizza!"

FOCUS Holiday STEM Projects

Camden FOCUS participants completed holiday themed STEM projects. See what they made!

Family & Consumer Sciences

Making Small Meals Festive - Holiday Class

Olivia offered a free Holiday Class, where she showed participants ideas to make their holidays festive and fun even though they may have looked a little different this past holiday season. Stay tuned for more online classes that will be offered in 2021
