FINDINGS REGARDING ADDITIONAL REQUIREMENTS:

| Yes | ☒ | No | ☐ | Will the proposed zoning change enhance the public health, safety or welfare? |

Reasoning: The proposed zoning change will enhance the welfare of Mr. Alvin Hess, as it will legally allow him the ownership of the house lot that his late Mother Evelyn Williams thought she left him.

| Yes | ☐ | No | ☒ | Is the entire range of permitted uses in the requested classification more appropriate than the range of uses in the existing classification? |

Reasoning: The use as residential for this lot already exists and is permissible in both zoning districts.

STAFF COMMENTARY:

In 2015 staff talked to then the current property owner (Mrs. Williams) and her attorney (Mr. Mullen) about information on subdividing the house out of the farm for her son. I informed her that she could subdivided out an acre of land as a deed of gift from a parent to a child and if she went through the regular minor subdivision process and the current zoning on property (GUD) minimum lot size would be 5 acres.

Prior to her passing she sold to Mr. Gus McPherson, Jr. what she believed was everything but the house on one acre. Her attorney (Mr. Mullen) drew up the deed (attached) which created an illegal subdivision as he gave a description of the house lot containing +/- one acre of land as being exempt. Deed was recorded in the Registry of Deeds. There was never any survey recorded subdividing that one acre or deed transferring the property.
It is staff's opinion that since the survey/deed for the house lot was never drawn up and recorded that the current owner Mr. Gus McPherson owns the house and lot. Mr. McPherson wants to get this error corrected as Mrs. Williams' son lives in the house and should be the rightful owner.

2016, 2017, 2018 taxes owed on house lot approximately $3,386.03.

**STAFF RECOMMENDATION:** Though this would definitely be spot zoning and not consistent with the Comprehensive Plan or CAMA Land Use Plan staff recommends approval of this Zoning Map Amendment as the situation was created at no fault of the previous/current property owner and it is in the best interest of the public as it will allow Mr. Elvin Hess to legally obtain the land and house his mother intended to give him at her passing.
