Re: School Bus Turning Radius in Subdivision Cul-de-sac  
Technical Review Committee Meeting; North River Crossing  
Phase II  
CC: David Parks, Camden Planning Department  

Camden County School Transportation Department requests that any subdivision created in Camden county have a minimum of 43.5' cul-de-sac radius.

The NC Department of Transportation requires a minimum cul-de-sac radius for non-curb and gutter pavement sections of 35' as per the 2010 Subdivision Roads Minimum Construction Standards. AASHTO turning templates (attached) recommend a minimum turning radius of 42' plus an additional 1.5' to keep the rear overhand from wiping out a mailbox.

This information and support have been provided by our local state department in reference to the requested 43.5' radius.

RE: Phase II North River Crossing; Neighborhood meeting

Dear Neighbors,

We are nearing completion of Phase I of North River Crossing major subdivision consisting of 32 lots. With that said we are applying to Camden County to seek preliminary plat approval for Phase II which will consist of a total of 42 lots to be completed in 3 phases (A, B, and C).

We are scheduling a neighborhood meeting for us to present the Preliminary Plat of Phase II and to give adjacent property owners an opportunity to provide comments at the meeting. The meeting will be held on Tuesday, February 12, 2019 at 6:00 PM in the upstairs Courtroom of the Historic Camden County Courthouse.

Any questions please feel free to e-mail me at Elwoodhperry@gmail.com.

Sincerely,

Elwood H. Perry
Managing Member
Hey Dave
I appreciate you facilitating the neighborhood meeting on February 12, for phase 2 of North River Crossing. There were 8 people in attendance, Aaron & Melissa Miller, Paul & Andrea Battig, Andy Monn, Michele Albertson, Bonnie Taylor, & Mark Mcglone. Six were residents of NRC. Two were adjacent property owners. The comments centered around drainage questions, and builder questions.
I am going to offer a time between now and planning meeting, to have David Klebitz come to NRC, to answer any questions.
I also, have sent them copies of the recorded covenants. I have offered to meet with them, if they wish, to discuss them, or any other issues.
I was surprised at their concerns over the drainage, and the builders.
i will see you tommorrow, about 1:30, with checks for the application.

Thanks
Woody Perry

Good Afternoon,

I am not sure if I am contacting the proper person. I have given up hope that this development would stop at phase 1. I love my country living and quiet road. I am writing to you because of the way they have the phase broke up and where they are starting. Half of the home owners plan to sell within the next couple of years because of relocation. I feel they should start closer to the existing homes in case this neighborhood does not continue to sell homes. That way there will
not be a huge empty space within the neighborhood. The meeting we had last week the builders pretty much said the only reason they are staring on Ditch Bank was because they wouldn't have to pay for the road yet, it is cheaper way to go.

Thank you,

Michelle Albertson
