Albemarle Regional Health Services (ARHS) began a health screening process effective 8:00 am, March 19^h to enter the Department of Social Services/ARHS facility at 711 Roanoke Avenue.

Pasquotank Department of Social Services - The screening Triage Station is operated by Albemarle Regional Health Services (ARHS) and does include temperature readings for fevers. If you pass the screening station with no 'red flags', you will be directed to the DSS front desk to conduct as much business as possible in an effort to reduce the risk of transmission and physical contact with staff. If you do not pass the screening station, you will be redirected outside of the building at which time a worker will contact you by phone or meet you outside to conduct business. Services conducted outside will be done with respect to everyone's safety, health and well-being at a minimal distance of 6 feet. With respect to confidentiality, we will seek to obtain as much information as possible by phone or other means and will have an alternate location in the parking lot away from other customers.

Individuals can apply for benefits (Adult Medicaid, Family & Children's Medicaid, Food & Nutrition Services) through the ePass website and options are available to print an application and mail in/drop off if preferred. <https://epass.nc.gov/CitizenPortal/application.do>.

At this time, the following programs require an in-person application and cannot be completed online:

- Work First Family Assistance/Employment Services
- Including Re-certifications

Sentara Albemarle Medical Center

A Triage Tent has been established adjacent to the Emergency Department at Sentara Albemarle Medical Center. This is a collaborative effort of forward preparedness in the event SAMC becomes overwhelmed during this COVID-19 event.

Sentara Albemarle Medical Center has suspended all routine visiting until the transmission of COVID-19 is no longer a threat to patients, staff and community; with some exceptions. Visit www.sentara.com/coronavirus for exception and additional information.

Drive-Thru COVID-19 screening and testing sites have closed until further notice. Citizens with symptoms of COVID-19, are asked to contact their primary care provider or the Sentara COVID-19 Call Center before visiting a Sentara Healthcare location. If it is not an emergency, they are "kindly" asked to remain at home. Sentara (including Sentara Albemarle Medical Center) still has the ability to test high-risk COVID-19 patients inside their hospitals. They ask citizens if they believe they meet the criteria for testing to please call the hospital before arriving to receive proper instructions and also review the testing criteria at www.sentara.com/coronavirus before leaving your home.

The Sentara COVID-19 Call Center (1-833-945-2395) is now open and ready to serve our community. The Call Center will:

- *Operate seven days a week from 9:00am to 7:00pm.
- *Direct callers to appropriate resources based on nurses' evaluations.
- *Answers questions about signs & symptoms based on current CDC guidelines.
- *Provide information on Sentara policies and our COVID-19 response.
- *NOT schedule appointments, provide testing recommendations, or test results.

Follow Sentara Updates at: <https://sentaraupdates.com/>

All Emergency Services are operating – protocols are in place for response, use of Personal Protective Equipment and cleaning and disinfecting of vehicles/equipment.

WE ENCOURAGE OUR CITIZENS TO LIMIT THEIR EXPOSURE AND PRACTICE SOCIAL DISTANCING BY CONDUCTING BUSINESS VIA DRIVE-THRU, KIOSK, TELEPHONE OR INTERNET WHENEVER POSSIBLE.
