Please READ the instructions on the next 2 pages prior to applying for your LiensNC. The worksheet is not your LiensNC, it is a worksheet for you to gather all your information on so you will have it at your fingertips when you go online to apply for your LiensNC. Also, your receipt for applying for your LiensNC is not your LiensNC documentation.

The form you will turn in as proof of Lien Agent Appointment should have a QR Code on it similar to this:

Also, your form should have an "entry number" located on it. If it does not have an entry number and QR code, it is not the correct form.

  - You will be required to know who your subcontractors will be ahead of time, and must supply that information. **Once filed, you cannot change subcontractors listed with LiensNC. Please know which subcontractors you will use and stick with them.**
  - If there are no pre-permit workers, select 'None' when you get to that point in the Lien Agent application process.
Once your application for appointment of Lien Agent is filed and a Lien Agent appointed, you cannot edit the information submitted. Again, please know which contractors and sub-contractors you will be using prior to submitting any applications, and if at all possible stick with them. You will be unable to change your selection of contractors and sub-contractors in the LiensNC system. Please do not put a contractor or sub-contractor on an application just to have someone down, we ask that you know who your contractors / sub-contractors will be and, again, if at all possible please stick with them. We will still require a Trade Affidavit form for each Sub-Contractor prior to the work being performed by them.

Once you have gathered all the information mentioned above (use attached worksheet), go to http://www.liensnc.com and log in to the system (or sign up if you do not yet have an account).

Once you have logged in, click the button that says "Appointment of Lien Agent".

Select a Lien Agent company from the drop down box, does not matter which one.

Fill in the online forms with the information you have gathered. Once finished, click "Continue", then Review & Submit your Appointment. Make sure everything has been entered correctly, you will be unable to edit any information once you have submitted your appointment.

Click the Pay Now button to pay for your appointment(s). You will need to have a valid credit card. Enter your payment information carefully as they do not give refunds.

Click the Pay Later button if you have additional properties for which to appoint lien agents. Clicking Pay Later adds the current lien agent appointment application to your cart, and takes you to your cart so you can pay for select appointments or pay for them all at once. Note: unpaid filings are not entered into the system until they are paid for.

Once you have entered your payment, you must *MUST* click the 'Continue' button after the transaction is processed in order for your filing to be successfully submitted.

Once your appointment is successfully submitted, you are required to post the project details at the job site. A notice of the Appointment details will be sent to the email addresses provided in the Filing Notification Alerts section you listed on the Appointment of Lien Agent filing.

Use the attached Lien Agent Form to specify the project address and Lien Agent appointed for your project. This form *MUST* be turned in to the Building Permit Office with your permit application. Please print the specified information legibly so that it may be read. Thank you.
