PLANS CONSISTENCY

CAMA Land Use Plan Policies & Objectives:

Consistent Inconsistent

The proposed zoning change is inconsistent with the CAMA Land Use Plan which was adopted by the Camden County Board of Commissioners on April 4, 2005 in that this is classified as spot zoning.

PLANS CONSISTENCY – cont.

2035 Comprehensive Plan

Consistent Inconsistent

Inconsistent with Comprehensive Plan (Adopted 2012) as Future Land Use Maps reflect land identified as Rural Preservation.

PLANS CONSISTENCY – cont.

Comprehensive Transportation Plan

Consistent Inconsistent

Property abuts Highway 343 North.

Other Plans officially adopted by the Board of Commissioners

N/A

FINDINGS REGARDING ADDITIONAL REQUIREMENTS:

Yes No **Will the proposed zoning change enhance the public health, safety or welfare?**

Reasoning: The proposed zoning change will enhance the welfare of Mr. Alvin Hess, as it will legally allow him the ownership of the house lot that his late Mother Evelyn Williams thought she left him.

Yes No **Is the entire range of permitted uses in the requested classification more appropriate than the range of uses in the existing classification?**

Reasoning: The use as residential for this lot already exists and is permissible in both zoning districts.

For proposals to re-zone to non-residential districts along major arterial roads:

Yes No **Is this an expansion of an adjacent zoning district of the same classification? N/A**

Reasoning:

Yes No **What extraordinary showing of public need or demand is met by this application? N/A**

Reasoning:

Yes No

Will the request , as proposed cause serious noise, odors, light, activity, or unusual disturbances?

Reasoning: All uses allowed in the requested zoning classification should not cause any serious noise, odors, light activity, or unusual disturbances.

Yes No

Does the request impact any CAMA Areas of Environmental Concern?

Reasoning: Property is outside any CAMA Areas of Environmental Concern.

Yes No

Does the county need more land in the zoning class requested?

Reasoning: Staff's opinion is that the requested zoning classification is needed, but not in this area. Opinion is based on the County's Comprehensive Plan.

Yes No

Is there other land in the county that would be more appropriate for the proposed uses?

Reasoning: Proposed use already exists.

Yes No **Will not exceed the county's ability to provide public facilities:**

Schools – Impact already exists.

Fire and Rescue – Minimal impact.

Law Enforcement – Minimal impact.

Parks & Recreation – Minimal impact

Traffic Circulation or Parking – N/A

Other County Facilities – No.

Is This A Small Scale “Spot” Rezoning Request Requiring Evaluation Of Community Benefits?

Yes No

If Yes (regarding small scale spot rezoning) – Applicants Reasoning:

	Personal Benefits/Impact	Community Benefits/Impact
With rezoning	Will allow owner to cut out house out of the farm. See Staff commentary.	None
Without rezoning	See Staff commentary.	No Change.

STAFF COMMENTARY:

In 2015 staff talked to then the current property owner (Mrs. Williams) and her attorney (Mr. Mullen) about information on subdividing the house out of the farm for her son. I informed her that she could subdivided out an acre of land as a deed of gift from a parent to a child and if she went through the regular minor subdivision process and the current zoning on property (GUD) minimum lot size would be 5 acres.

Prior to her passing she sold to Mr. Gus McPherson, Jr. what she believed was everything but the house on one acre. Her attorney (Mr. Mullen) drew up the deed (attached) which created an illegal subdivision as he gave a description of the house lot containing +/- one acre of land as being exempt. Deed was recorded in the Registry of Deeds. There was never any survey recorded subdividing that one acre or deed transferring the property.

It is staffs opinion that since the survey/deed for the house lot was never drawn up and recorded that the current owner Mr. Gus McPherson owns the house and lot. Mr. McPherson wants to get this error corrected as Mrs. Williams' son lives in the house and should be the rightful owner.

2016, 2017, 2018 taxes owed on house lot approximately \$3,386.03.

STAFF RECOMMENDATION: Though this would definitely be spot zoning and not consistent with the Comprehensive Plan or CAMA Land Use Plan staff recommends approval of this Zoning Map Amendment as the situation was created at no fault of the previous/current property owner and it is in the best interest of the public as it will allow Mr. Elvin Hess to legally obtain the land and house his mother intended to give him at her passing.
