Request

I, _____, hereby request a variance from Section(s) _____ of the Unified Development Ordinance.

Provide a narrative of why the variance is needed and what circumstances have lead to the need for a variance:

Relevant Factors for Issuance of a Variance

A variance may be granted by the Board of Adjustment if it concludes that strict enforcement of the ordinance would result in practical difficulties or unnecessary hardships for the applicant and that, by granting the variance, the spirit of the ordinance will be observed, public safety and welfare secured, and substantial justice done. It may reach these conclusions if it makes detailed findings that:

- A. **The alleged hardship is suffered by the applicant as a result of the application of the Ordinance.** (Variances cannot be granted if the hardship is the result of restrictions other than those of the ordinance, restrictive covenants are an example)._____
- B. **The hardship relates to the applicant's land, such as location, size, or topography, rather than personal circumstances.** (Hardships suffered by the applicant should be the result of factors directly related to the applicant's land and not ordinance requirements)._____
- C. **The hardship is unique, or nearly so, rather than one shared by many surrounding properties.** (A hardship suffered by the applicant in common with surrounding neighbors does not justify a variance. The proper remedy is an amendment to the ordinance in such cases. Courts have held that boards granting variances based on such factors amounts to attempted usurpation of legislative power)._____
- D. **The hardship is not the result of the applicant's own actions.** (Where a property owner has either knowingly or unknowingly violated the ordinance by erecting a forbidden structure, he/she cannot claim expenses as a hardship, otherwise no one would ever comply with the ordinance. Similarly, when a person buys property and certain restrictions exist, he/she cannot be said to suffer hardship if those restrictions are enforced; such hardship would be self imposed)._____
- E. **The variance will not authorize the initiation of a nonconforming use of land.** Must show that the variance requested represents the least possible deviation from the letter of the ordinance, and that it will allow reasonable use of the property without creating a nonconforming use of same property._____
