**COVID-19 is still available for those meeting criteria by appointment only at the local health departments across the region. ARHS encourages residents to call their primary care providers for an assessment or information on testing availability before calling the local health department. If someone does not have a primary care home, ARHS does offer primary care services. All tests will be completed through a curbside screening clinic at the local health department. For more information on criteria or appointments, call 252-338-9355 or your local health department directly.**
